SPEAKER.	TIME	CONTENT
RMV	0:00:00	Hello, good morning. [BACKGROUND: RR: Good morning] I'm here next to Thomas. He's having breakfast but he's telling me, "Mom, my mouth is full. You pick up." [Laughs]
TH	0:00:14	O A
RMV	0:00:15	He's saying, "Good morning," to you. Go ahead. [Background: RR: [U/I]]. I can't hear you too well, unfortunately. Let's see Go ahead. This call is not too good. Let's see, Thomas, you take it. Let's see if you can hear better, because I can't hear well.
TH	0:00:40	Well, you can't hear well because the TV is on, see.
RMV	0:00:43	No, no.
TH	0:00:44	You don't want to talk?
RMV	0:00:45	No.
TH	0:00:46	Hello.
RR	0:00:48	Hello, am I speaking to Thomas?
TH	0:00:50	How's it going, Magistrate?
RR	0:00:53	Where [U/I]?
TH	0:00:54	Here, in Juarez.
RR	0:00:56	Here, in Judge .  Hey, I used to get invitations for breakfast, and now I just get messages.
TH	0:01:02	No, it's that yes, mom was saying that she does not want that letter to be released, Alex's letter.
RR	0:01:13	Yes, yes, hey, let me tell you a few important things.
TH	0:01:18	
RR	0:01:19	First of all, how are you all? Are you doing well health wise?  Is everyone okay?
TH	0:01:23	Well, stressed out. Aside from how things are here in the city Lots of violence and well, I don't know if you heard the news

about the disaster that happened.

RMV	0:01:35	Here, behind our home.
TH	0:01:37	Here, just behind our home, you see
RMV	0:01:39	On Gomez Morin.
ТН	0:01:40	That's where shots rang out. So, well, everyone around here is nervous.
RR	0:01:48	Yes, see, that, let's see Let me tell you a few things. What is going on in Juarez, Thomas, is not a coincidence, right? What is going on in Juarez is the result of the corruption, of the [female] governor, of businesspeople who allow criminal groups to take over judges, the system, so that they could do as they please. When good people such as you, your mom, like Alex, like my wife, and like me fear the system, it allows the judges to do what they want. And that is when criminals thrive. In this case here, the criminals were those who did what they did to your father. Now, my message to you all is one of solidarity. You may discern stress, nervousness or worry in my voice. And I don't feel any of that. I'm not worried, stressed, or anything. I'll tell you why, Thomas, because the friends from here, from El Paso, have been working extra hard to neutralize this judge, very hard. That judge is corrupt. He is corrupt, racist, because there is such a thing as a Hispanic thug who can be racist toward good people from Mexico, right? So, what I'm trying to tell you right now is that, on Monday and Tuesday, some news will come out. It's not anything that you all wrote, nothing like that, but it's things that here, the friends in government, are doing in order to stop the judge, okay? Also, Thomas, we are looking into the possibility of issuing an arrest warrant against the judge, or a notice on behalf of the government of Mexico, okay? So then, no, this does not, will not stay as is and let's see what happens on Thursday. No, we are even getting notes from people who were there on July first (1st) saying you all didn't know anything at all. So, you can't be held responsible for anything. We are protecting and supporting you always, okay?
RMV	0:04:27	[UI] the notary?
RR	0:04:28	Okay? So then
RMV	0:04:32	Let's see, ask him.
TH	0:04:33	It's that mom is worried because she's thinking, "then, why did the notary arrive the first time?"
RMV	0:04:42	That's how they will be able to prove that it's me.
RR	0:04:47	No, no, the Well, it's that we're talking about different things. The thing about the first time was about leaving there a not an agreement but a complaint about the judge's action, which was not allowing a date to be set on the trial. And that document made it to the Commissioner's Court, but it's confidential. That is not a public document.
TH	0:05:21	Now
RR	0:05:22	So, your mom's identity, in that regard, is not open to the public, Thomas.
тн	0:05:30	Oh. What I'm uncomfortable with is that, I don't know, if the judge were to be switched out as you say, and if there was a different judge, don't you think that it will start again from scratch and take another three (3) years?
RR	0:05:48	[UI], that can't be, because the rights and interest of the murderer are also taken into account, right? They can't do that. So, if the judge gets it his way, Thomas, then this case will be delayed, at a minimum, another three (3) years.

mr	0:06:04	But if another judge comes into the picture, then could it take
TH	0:00:04	less time or how does that work?
RR	0:06:13	Yes, a judge, see, for instance, let's see, I'm not going to tell you what it is that I'm going to do, because I have no control over that, but let say I was the judge who [UI], what would I do? I would immediately call upon all of the sides, the attorneys, and I would say, "You know what, you have exactly thirty (30) days to set all dates, because this trial will start in December of this year." Of this year, Thomas.
TH	0:06:40	Yes, that would be great.
RR	0:06:42	And that's for a trial start time. That's it; the only thing that left is to summon the jurors. About three-hundred (300) people will be summoned. Don't you think that in a city of one-point-five (1.5) million, there aren't three-hundred (300) people that can be summoned? Of course there are. Where is the list from which people are summoned? From the drivers' licenses. That's the source from which we draw. From all of the people in El Paso, we'll send a list. "We need you to appear." It would be the news piece of the year: Crusius' trial will now begin. And that's it; the only thing we need is for the trial to begin. The case doesn't have to be resolved; it has to be started. And I would give an order to say as follows, "I am in this proceeding. Please start the civil proceedings." The civil suit may proceed. Because Crusius does not have to be present for the entire civil suit. Whether it goes to trial or not, remember that Walmart's suit is not against Crusius, it's against Walmart. So whether or not Crusius can be present in that case, it's not necessary for him to be there. Walmart's attorneys, Walmart's managers, Walmart's employees can be there. That thing about Walmart's case not being able to begin is a lie. The lawsuit is not against Crusius, it's against Walmart. And they are doing that to trick people. To say, "Oh, we can't start because Crusius is stuck over here." No, no, no, the lawsuit is because there were deficiencies and lack of attention and negligence when it came to security. So then, it's two (2) very different things. But since this is long distance, I want to ensure that you are still on the call. Can you hear me?
TH	0:08:41	Ves. ves. I'm here.
RR	0:08:43	Oh, perfect. Well, let me know you're alive, man!
TH	0:08:46	[Laughs] No, I'm just thinking. I'm thinking because, because we don't what that, personally, I don't want anything happening to my mom, for instance, if for any reason, they will want to [Background: RMV: [UI]] put her in jail or put my brother in jail, or if they want to take him off the case or anything like that.
RR	0:09:09	I'm saying, Alex Thomas, no, no, they cannot take her off the case, because her rights are those of a widow. A widow has a lot of standing here. The only thing that I'm going to ask of you is that at "half-time," yes, don't have doubts. Because what you said to me at the end, the last time we went out to eat, which was a really nice meal
TH	0:09:36	[UI]
RR	0:09:37	You told me, "You know what? The only thing you cannot do in life is not do anything."
TH	0:09:42	Vos
RR	0:09:43	If someone, on the day of your father's death, had pulled out a gun, one even of the smallest caliber, and had shot one up into the air, I assure you that that idiot would not have killed so
		Page 3 of 14

		many people. But no one did anything. The ones at the door didn't close, neither did the ones at the bank. The cops that
		were around, none of them had any guns on them, because I don't know if you knew, but do you know how many federal agents were
		there that day at Walmart making purchases?
mr.	0:10:14	How many?
TH	0:10:14	Eleven (11). Do you know how many of them had guns?
RR		
TH	0:10:21	How many? Zero (0).
RR	0:10:22	Not one (1).
TH		And did you know that there was a man and his wife who did have
RR	0:10:26	a gun, and they were in the back? And the managers did not allow them to go and help?
my	0:10:34	Really.
TH	0:10:35	Did you know that?
RR TH	0:10:35	I didn't know.
RR	0:10:37	And the man said, "Hold on, I have a gun. Let me just get close and fire off some shots to scare him." And the managers didn't let him. They got a hold of him and said, "Don't even think about it; stay here."
TH	0:10:49	See.
RR	0:10:50	So, from the first who died, the first, the second, the third, the fourth, I mean, do you want it to get to number twenty-three (23)? What number was your father when he died? Do you know?
TH	0:11:06	No.
RMV	0:11:07	We think he was [UI].
RR	0:11:08	And you'll never know. If you keep being scared, you'll never know.
RMV	0:11:13	[UI]
TH	0:11:14	Let me put mom on, because she wants to ask you something.
RR	0:11:19	No, yes, but let me tell you something before she asks me the question.
TH	0:11:21	Yes.
RR	0:11:22	Something I want you to know is that Crusius, I do know what Crusius said, because I've had access. I'm going to tell you what Crusius said after, he said, when they detained him, when he turned himself in, because they never detained him. He turned himself in [UI]. And what happened? He said, "See," he said, "the only thing that surprises me is that there was no one. No one willing to stop it." That no one had a gun.
TH	0:11:50	Uh-huh. That's what Crusius, said, yes. And what's going on right now in
		Juarez, of course it will affect you, because it is more violence. But I want you to know something. Those who are destabilizing Juarez are doing so because the system is so corrupt. Because the [female] governor took sides. Because they are allowing people to come from Sinaloa to Juarez, and those people are real disgusting. They cut heads off, they torture people, and that has nothing to do with Walmart, but what does relate is that if one allows government officials to do as they please without saying anything, that's when they become even more corrupt, and they will continue to do as they please. What, here, the only thing that was done is there was an objection because the judge was so rude, so partial and not fair with
		regard to this. That he would treat prosecutor Rosales as if she was nobody, and that the judge did not want to allow a trial. He's not allowing a trial to happen. Whether there is a win or a

it. If the jury says, "This young man is innocent. You've got the wrong guy, And people never did die, and that was all a lie and fake blood." Well, okay, that could happen. But do you think that will happen? No. It's all recorded. The bodies were buried. The blood was photographed. The firearm is in custody. The murderer is there across the street from where the judge said, "There is no trial. I am not allowing a trial." How many objections [UI], Thomas? Zero objections. They don't even want to say that the idot is there across the street. And why is it that if he is there across the street they don't take him to the courtroom where you are. Mhy don't they bring him to the same room? To tell him, "There will be no trial." You know why?  Because he himself would also say [UI], "I want my trial, and I want it now, because I want to die." Crusius knows what he did. He knows he's not the only one. What he wants is to die. Because when one kills so many people, Thomas, the devil is present. And the devil doesn't thank you and forget about you. He tortures you in your dreams and in life and in everything. What your mom sees in her dreams, Thomas, that river and all of that is not different from what Jesus Christ lived through.  TH 0:14:39 But then. Why did Crusius, at court, why did Crusius say he was innocent?  RR 0:14:52 Yes.  RR 0:14:52 Yes.  RR 0:14:52 Yes.  RR 0:14:52 Yes.  O:14:51the idea. Jesus Christ is the son of God and He is God. And notwithstanding that, he came to fight against evil, because that is what it's about. Do you know why we need to have these types of challenges? Do you know why ive needs to have these types of challenges? Do you know why we need to have these types of challenges? Do you know why ive needs to worry for those we love and cherish?" Because if we didn't, Thomas, we would not need Jesus Christ of God. If everything was rose-colored and pretty, then we would not need God. And God is testing us at this time. If we have faith and are willing to fight, as your father did in life.

TH	0:17:11	And why does he have so many? I don't understand. [Background:
		RMV: Why do they pay for all of his attorneys? And why is it so
		expensive?] Or, why are they paid?
RR	0:17:19	Why, who pays for that? That is being paid for by the judge. The
		same judge who velled at the prosecutor. And it's the same judge
		that is telling you all, "Be quiet. Step aside. You are not
		relatives, and be afraid." That is the same judge who is paying
		them. Why? Because that attorney is his best friend. And the
		other attorney that was also with him is also his friend. They
		play golf together. And if you don't have a voice who trusts you
		and tells you, "Hey, Thomas, you are good people. Do you want to
		know the truth? Do you really want to see progress on this?"
		Okav. But it's like a cancer, right? It's like when you go to
		the doctor and you say, "Doctor, I'm just not feeling well. I
		exercise and do not feel well. What do I do to feel better?"
	1	"Well, see, ladies and gentlemen, it's because there's a cancer
		here." And so, when you already know there is a cancer, then you
		know you can beat it, because you are catching it early enough.
		The cancer needs to be removed. But removing the cancer doesn't
		mean taking a few aspirin to feel better, no, no, no. It's a
		battle. And this is a battle, Thomas, and ma'am. As for me, I've
		never abandoned you, and believe me, believe me that people have
		approached me to say, "You know what, forget about them." And I
		would never do that, because, as I explained to my wife, "See, I, for your mom, for you, and Alex The agreement that we made
		is not written. It is written in a prayer. That is where the
		agreement is made. You are people of faith. I cannot fail that
		faith. I could never do that. If someone approaches me and
		offers me one-hundred thousand (\$100,000) dollars to betray you,
		I could not do that. If I'm offered one million (\$1,000,000)
		dollars, Thomas, I could not do that. Because I cannot go
!		against my faith. That's not what it's about for me. And you all
	ļ	can corroborate that, because you know, "I've never charged you,
		and I'll never charge you one (\$1) dollar. And I'll never take a
		dollar from you, not one (1) cent of any type of currency.
TH	0:19:46	It's because mom yes, no, yes, I understand and thank you for

RR	0:19:55	Yes, but, believe me when I say
RMV	0:19:56	That they will if I have a legal problem, when it comes to the

RR	0:20:13	No.
RMV	0:20:14	They are going to say that I am a controversial person, and this
		and that.
RR	0:20:21	No.
RMV	0:20:23	I think so. Let's see, here, let me explain that to you. The Walmart lawsuit
RR	0:20:24	is a suit on behalf of your father's, what's called an "estate,"
		right? The lawsuit is not from you directly. You all are the

1		to think about it. You are the owners of the corporation but you
		are not the corporation. For example, if someone goes into a
		convenience store and slips because someone left water behind,
		you didn't do that, and employee did, right? So then, the
		lawsuit is on behalf of your father's state [sic], in English
		it's called the "estate of," right? So, if your mother, let's
		sav. I don't want to use your mother. Let's say that your father
		at the time of his death was married to a woman by the name of
		Page 6 of 14

		Was Trans Caraban and a days
		Juana Sanchez, let's say, whether Mrs. Juana Sanchez was a drug
		addict prostitute who was up to no good, she would still have
		the same right as a wife who was a lady, such as your mother,
	1	people in high society who are good, hard-working, and business-

	0.03.47	So, then
RMV	0:21:47	Here, we are not saying that Walmart harmed your mother
RR	0:21:48	Here, we are not saying that waimart harmed your mother

i		follows, did Walmart know there was a risk, yes or no? Did
		Walmart act correctly in protecting and minimizing that risk?
		and what was the result? The result was that there was a narm?
		lyon thorowas a harm And so, those are the factors in the
		lawsuit. And I know this very well, because I teach courses. I
		have litigated. What's more, I've filed a lawsuit against
		Walmart. I have won lawsuits against Walmart. And we will talk
		Walmart. I have won lawsuits against walmart. In we will talk
		about all of that later, but you have everything at a
		standstill, because this judge is wanting to apply the brakes to
		everything. But I will tell you one thing, Thomas, it's not

RMV	0:23:05	Hoy

RMV	0:24:46	But, won't I be charged with contempt?
RR	0:24:50	No.
RMV	0:24:51	And that will impact my lawsuit.
RR	0:24:54	No that can't be, because it's remember it's two different

RMV	0:25:23	Uh-huh.
RR	0:25:24	And you never received a formal notification or subpoena, that's why.
RMV	0:25:30	They're very shrewd. They'll send it through a special kind of mail.
RR	0:25:33	That's not valid.
RMV	0:25:34	Just like they sent the other one.
RR	0:25:40	Yes, but the other one was a courtesy subpoena. This would have to be made in person. That's why I told Thomas, "If someone goes there" Actually, that can't be, because it's international, first of all. He would have to ask for the permission of the prosecuting office in Chihuahua. But I told Thomas, "If someone goes there wanting to deliver something, don't let them get through the gate." And if someone wants to get in, let me know straight away, yes?
RMV	0:26:07	I've already told the guard not to let anyone come in, but, well, I'm
RR	0:26:15	And this won't last past this week, ma'am. Because on come Monday, and this is very important, don't interrupt me. Listen to what I'm going to say, on Monday, documents will be submitted to the judge, a notification to the judge saying to the judge that you all cannot be touch by anything and that the judge
RMV	0:26:37	Do you swear? Really? Can you guarantee it?
RR	0:26:41	It's a sin to swear, but I'm telling you with the same faith with which I've told you everything. And I've never lied to you about anything. I have no reason to lie to you. If I were to lie about something, I would say, "If you give me twenty million (\$20,000,000) dollars, that Don't ask me to swear to you. Believe in this voice that has never lied to you. I have never lied to you, okay? And why would I say that to you if it's not the truth? I'm telling you. Documents will be submitted on Monday, right. We are, additionally, and here it goes forcing the bald guy, remember the bald guy?
RMV	0:27:26	Uh-huh.
RR	0:27:28	To testify under oath that he, yes, never explained or said anything, that could harm you, okay? So, we're forcing everybody to testify before the hearing so that the judge understands that he does not have material to work with. He has nothing, zero. And what will happen after that is an attack against the judge. It's coming.
TH	0:27:59	Oh, I understand now.
RR	0:28:00	So
TH	0:28:01	Judge, but you're saying that they can send us a letter and leave it here, I mean, they may want to leave it here, right?
RR	0:28:11	That's what your mom said. I didn't say that. She did.
TH	0:28:15	If someone were to want to come here, for instance, if the judge says, "Send a letter to the lady." And if someone wants to leave us with a letter whether we want it or not, the guard won't let them. Let leave it with the guard. I would imagine, right?
RR	0:28:31	[U/I], the guard. For it to a be a subpoena, it can't be done through an employee. It has to be with the actual person.
TH	0:28:37	Yes.
RR	0:28:40	It's not valid if For example, if it's a corporation

TH	0:28:44	And if the judge says, "Oh, well, I tried to hand it over to

RR	0:28:49	No, that's not enough. The whole "they didn't let me," does not
	}	In the United States, it's acknowledged that it's a game. If
		they didn't let me, they didn't let me, and that's it, but it's
		not valid. The judge can't do anything, and that's why we are
		taking the steps we are taking, Thomas. So that, so that I'm
		looking right now to have a notification be sent to him on
		behalf of the government of Mexico saying not to mess with the
		people of Mexico, okay? And I can't tell you more about it.
TH	0:29:24	Yes.
RR	0:29:25	Because they are people at a very high level who are about to
		level allegations against the judge. And it is not advisable
		that I tell you who it is and how, but I have talked about it
		with your mother, yes, in the past about who it could potentially be. But this is not going to remain as is. You're
		calling me on a Saturday, and I'm telling you that I have, I
		mean, there's a whole process in motion, why? Because we are
		indeed interested in supporting you, Thomas. If this judge
		carries on the way he's carried on, there will never be a trial,
		truly.
TH	0:30:01	That was just the question we had, that if a new judge comes in,
	,	It had that question, that if a new judge comes in, whether that
		would extend the case, make it go longer. That was my question.
RR	0:30:15	See, it's important to extend it further, because this judge is
		extending it so much so that he's not willing to set a date.
		Right now, this judge could potentially say that this case will
		start in twenty twenty-nine (2029).
TH	0:30:31	I think that it will be in twenty twenty-four (2024), in

		That there are three (3) judges? You did know that there are
		three (3) judges, right?
TH	0:30:59	No.
RR	0:31:00	Well, that's why it's easily misunderstood.
TH	0:31:05

TH	0:31:16	No?
RR	0:31:17	No, no. No, see, you hear me hesitate because the funds come

TH	0:31:37	Uh-huh.  But what I do know is as follows. That the one who decides who
RR	0:31:38	gets those funds is the judge, okay?
mr.	0:31:47	Uh-huh.
TH	0:31:47	And he chose the defense attorney. And he chose them because

TH	0:32:07	Okay
RR	0:32:08	Right? You all know this already. I had told you about it
TH	0:32:13	No, it's just, I've been watching channel nine (9), and I didn't see the news, that's why I was wondering why. Because you had said it would be made public on Friday, yesterday, and you didn't make it public, so that's why [Background: RMV: No, but [UI].] I was wondering why not. [Background: RMV: Why not.]

RMV	0:32:42	No, it's not possible.
RR	0:32:43	Why? Because what we want right now is for the following to happen. That the judge receive a notification that any gag order does not apply to you all. You are not witnesses to the case, right?
RMV	0:33:00	Exactly. [Background: Thomas: Exactly.]
RR	0:33:01	You are relatives who have rights as part of the victim impact, but you are not witnesses. I mean, your mother was not standing there watching Crusius shooting at everyone.
TH	0:33:12	No, that's right.
RR	0:33:14	So then, nothing was made public yesterday, because it was not advisable.
RMV	0:33:21	No, it's better, sir. That's good. It's a good thing it was not made public, so that we are not made to be part of the controversy. What we least want is to be the talk of the town.
RR	0:33:33	Exactly, but I did explain it to Thomas. The thing is that Thomas is very in love, ma'am.
RMV	0:33:39	No way, I don't think he'll fall in love. I would want that for him, but it seems really hard.
TH	0:33:47	Well
RMV	0:33:48	Let me tell you, I was renting an apartment to a woman, and I even increased [the rent], because she was making eyes at Thomas, so I thought to myself, "Oh, then she should pay more, right? It doesn't matter." And wouldn't you know, the woman realized he would pay no mind to her because she's too old for him. She's over forty (40). [Laughs] One thing is for sure that women nowadays are more outgoing.
RR	0:33:48	Hey, and you know where he will find love, in the intelligence program at Ft. Bliss, there are some undercover [female] agents, such as you are describing, right. They seem to be European and everything, and believe me, they don't much care for the American guys, okay?
RMV	0:34:33	Well, if you say so, the good thing is that, hopefully your wife is not listening in or you'll hear about it. [Laughs]

RMV	0:38:30	We are going to give jobs, jobs. If we are to gain something, the United States and its citizens will gain something, because

RR	0:39:41	Yes, right now, the only thing you need to do is go shopping, go

RMV	0:39:47	No. I don't go shopping. I hardly ever go shopping. I don't go
		shopping. I have clothes from twenty (20) years ago. I don't
		like to go shopping for clothes.
RR	0:40:00	You have to be calm. You will be getting a call at noon on
		Monday, okay?
RMV	0:40:05	Okay.
RR	0:40:07	And the call is going to be from the prosecutors to see if they are able to contact you. You will not answer those calls.
	0:40:17	Uh-huh.
RMV RR	0:40:17	And if for any reason you end up answering, hang up right away.
KK .	0140,10	Okay?
RMV	0:40:23	No, no, well
RR	0:40:27	Okay? They are going to make it, and they know, and they are
		expecting that no one will answer. Okay?
RMV	0:40:30	Okay.  So that they can tell the judge that there was no communication,
RR	0:40:31	that due to all of the violence in Mexico, right now the calls
		are not going through, the technology is too cheap in Mexico,
		whatever. But [UI].
RMV	0:40:46	Of course, we cannot go to El Paso right now, correct? Because
MA	0.10.10	over there, yes
RR	0:40:53	Well, you could go. Starting on Monday, that's when but [UI]
		want.
RMV	0:41:00	Not today Friday, nor Saturday, nor Sunday, correct?
		[Background: Thomas: It's Saturday today.] I mean, not Saturday
	0.41.06	or Sunday. Well, right now, I would prefer that you stay put until
RR	0:41:06	Saturday. On Saturday, you can come over here, and I expect to
		see you.
RMV	0:41:12	Uh-huh.
RR	0:41:13	If there is a need to, I'll go and see you over there. Or I can
		meet you here, and I'll swing by myself. I'll go along with you.
		So, don't worry about that, okay?
RMV	0:41:22	Okay.
RR	0:41:25	But you all are protected. And you will see movement this week.

RMV	0:41:30	Tell your wife. Tell your wife on my behalf that I ate her food.
		[Laughs] And I loved it. The food she had at the restaurant. Do
		you remember she left a lot? Well, I heated it up here and ate
		it. [Laughs]
RR	0:41:50	How delicious!
RMV	0:41:51	And it is really good.
RR	0:41:53	My wife really cares for you.
RMV	0:41:55	Thank you. I adore her. She's so sweet. She's so petite and
		beautiful, she seems delicate. My, how she is beautiful. She
		resembles a little flower, so She's like an orchid.
RR	0:42:12	Oh, how kind of you.
RMV	0:42:13	Orchids are small but beautiful, sophisticated.
RR	0:42:20	She has been among the people who have encouraged me the most to
		fight for you.
RMV	0:42:24	Oh, thank you. Thank you.
RR	0:42:25	She has told me, "Protect them at all times. And no matter what
		happens." Because, well, for her, she's stressed out. I mean,
		she could be on vacation, and she says, "No, we must support the
		Hoffmans." We must support them.
RMV	0:42:40	How sweet.
RR	0:42:44	It is worth it to support and protect them. Ma'am, now I have to
		go, because I have some appointments, but
RMV	0:42:50	Yes.
RR	0:42:51	I am a phone call away, a phone call away always, okay?
RMV	0:42:54	So then we won't go to El Paso today, right?
RR	0:42:57	Well, for now, I would lay low over there, and I will pray and
		believe me that there will be movement.
RMV	0:43:03	Okay.
RR	0:43:04	But right now there is no, nothing to worry about.
RMV	0:43:07	Oh, okay.
RR	0:43:08	If [UI] over there
RMV	0:43:09	It's just that we don't want to go out here. We cannot go out
	0.43.16	here in Juarez right now. It's horrible. It's a nightmare.
RR	0:43:16	Yes, I know. That was because of Maru Campos, but we'll talk
DMI	0.43.22	about that another time.
RMV	0:43:22	Okay then.
RR	0:43:23	But also, it looks as though Jauregui is also lending his
DMZ	0.43.31	support, so we need to take care of the porcupine right now.
RMV	0:43:31	Jauregui? Is there?
RR	0:43:33	Right? Even if he's ugly. He's lending his support, so we must take care of him. And I will ask of you, ma'am, pray for us as
		well, just like we do for you.
RMV	0:43:43	Yes, of course. Of course. See
RR	0:43:47	May God bless you.
RMV	0:43:48	I am a strong follower of God and the Virgin, and God-willing,
		if someone lies, if someone betrays, well they alone will bring
		about their bad karma, you understand? Definitely.
RR	0:44:01	You know about that. You know [UI].
RMV	0:44:03	Yes, I know.
RR	0:44:05	You told Enrique Moreno and Enrique Moreno died of cancer.
RMV	0:44:08	I have the document here, where they gave me the letter. Asking
		me why I had told him I didn't want him to be my lawyer anymore.
		I have that letter. They gave it to me, because I didn't want
		him to be my lawyer anymore.
RR	0:44:27	Let's see, hold on, that is very interesting. Tell me slowly.
RMV	0:44:29	I have the letter. I have it.
RR	0:44:31	Who sent it to you?

RMV	0:44:35	From the office of, uhm, what's his name, of Enrique.

RR	0:44:42	What did it say?
RMV	0:44:44	What's that?
RR	0:44:46	What did the letter say, I'm sorry?
RMV	0:44:47	It said [Aside: Let's see, show me the, over there They're up
		there, all of the documents.] And, you see, I recently found it
	İ	when he was still alive. It was weeks before he died. And they
		told me, "We are providing you this letter seeing as to how you
		did not want Mr. Enrique Moreno to be your " how do you say it?
		Your [Background: Thomas: Your attorney.] Your representative,
		your attorney. I'd have to look for it. It's around here
		somewhere, yes, yes.
RR	0:45:24	And that's very interesting. Thomas, I'll ask you to send me
		When you're over here, bring me a copy of that letter. That is
		very interesting.
RMV	0:45:31	Yes, yes, yes.
RR	0:45:34	Because wasn't Moreno there like a used car salesman?
RMV	0:45:37	[Laughs]
RR	0:45:38	Okay? They are such leeches. That's why, that's why God took
		him, okay. God is the only one who knows why  His character was very he was a fighter like you but he was
RMV	0:45:49	very arrogant, too much. Too arrogant. And too much for my
		taste. I did not like it at all. Because I, too, I'm not
		arrogant, but I'm no pushover. I'm no pushover.
RR	0:46:07	No, but okay, he was bad. He did betray people. And that is not
RK	0:40:07	good. But, I'm hanging up, because I have to go [UI]
RMV	0:46:14	Okay, then, we can say our goodbyes, and may God protect you
1414	0	all. Tell my "Güerita," "Güerita" that we love her very much,
		and to take good care of herself. To take good care. I want her
		to tell me one day, "Rosy, I want you to make me this that I
		like to eat." And I will make it when you come, okay?
RR	0:46:34	May God bless you, [UI].
RMV	0:46:35	Thank you. Goodbye.
RR	0:46:39	Sending you each a hug and blessings. Bye.

RR	0:00:00	For it to be that way, the [female] prosecutor would have to be the one to make the determination.	
AR	0:00:04	Uh-huh.	
RR	0:00:05	And the prosecutor has really great affection for you, okay? And I can't comment any more on that. Because I cannot run the risk for that to come out in a call. Don't be bothering me about the prosecutor and I being close friends. [Background: RMV: Never.] Yes, but it's better to tread safely. [Background: AR: Uh-huh.] Yes? As they say. Okay. So that ball is in play. Nothing's wrong. The only thing that confirms for me is that things have been done right. [Background: AR: Uh-huh.] And that the judge has now understood that, "Oh, shoot, hold on. They can take me down." And if that judge is not taken down, it will be very hard. Now, the judge has received additional complaints now. No, on other matters. Okay? I'm sharing this with you to say something, that person, that judge, is a thug, [UI] talking like this, with all of the trust They also speak in this way. And the judge says, "You [female] run for office, and I will approve of you. And then this case, I'll postpone it for two (2) years, and then you get in and you are going to shine." [Background: AR: Uh-huh.] "And truly, we'll subdue her. Sweetheart, let's all go to Las Vegas to celebrate." I can't allow that, because the truth must come out here. Whether you decide to one day reveal it or not, but justice should be served on those who harmed you.	
AH	0:01:35	Of course. To make a documentary or something.

AH	0:06:47	Exactly.
RR	0:06:48	And how can it be that a judge won't even set a date? Well, it's okay that he not set one, but that he set it for twenty thirty (2030).

Yes, see, remember in Mexico, ma'am, when they discovered that "El Chivito" [The little goat] was selling drugs and they caught him with six-hundred million dollars (\$600,000,000)? Yes, do you recall?

PP 0.09.23 Correct. See, no, the signature [UI]. The stupid [Vi	UI]. The
signature will depend. There are two (2) signature:	s that [UI],
one from the prosecutor [female], and the second on	ne from the
immigration department. It's U-S-C-I-S, okay? It's	United States
Immigration and Citizenship Services, U-S-C-I-S. T	ney're the

pp 0.11.02 Regarding the Visa thing, about the prosecutor [fe	male], that
[UI]. Now, what is next for the judge? A [UI] blow	is coming for
the judge, politically-speaking.

au 0.11.42 Right on	
DR 0.11.43 It can happen. If the governor [male] says that [U	I] I could go
in and handle the case. But, come on, that's why I	'm being very
careful about this relationship not being known [U	171.

AH	0:11:54	Okay.
RR	0:11:55	Because if it's known, then, "They know him already. He can't be
W	0.11.00	impartial." So then, I won't be able to take part.
AH	0:12:04	Geez, okay, no, no. That's why [UI].
RR	0:12:05	(UII) God will be guiding you, and this is a game of patience.
KK	0.12.03	If we have been through such a long time without being able to
		converse and to [III] guide along the journey of truth, to say,
		wlook this is how things are." And I don't know how you were
		able to withstand it. Because if it were my father, and my [UI].
RMV	0:12:29	You have no idea how much I have cried but out of anger at home.
AH	0:12:36	Honestly, I feel like doing some blogging and making everything
		public. But I'm still waiting on [UI].
RR	0:12:41	Look, there may come a day when [UI].
AH	0:12:53	That I will ensure I post all over the Internet.
RR	0:12:52	If you can do a blog, that's fine, but I'm telling you, just
		about what [UI] everything.
RMV	0:13:01	[UI].  Just don't send Alex, because then I mean, a girl can pass by,
RR	0:13:04	and he gets easily distracted, and then he'll have the [UI] like
		Superman. [Laughs] Yes, no, not this week. Nothing. No blogs,
		nothing.
AH	0:13:17	Oh. no. no.
RR	0:13:19	Recause what is coming to the judge, in the meantime, because
***		what I want is to weaken him [UI], right? The fact that he's
		sending [UII] is an indicator to me that he is starting to reel
		weak. Because that judge [UI]. I mean, he wants you all to come
		and be told, "You are going to fall under the order, and no more
		talking." Why? Because words are truly [UI]. It's opening what
		was already on, and the truth is coming out. It's like a
		volcano. The earth is opening up, and the lava is starting to come out. And he's thinking, "Darn! What am I going to do to
		come out. And he's thinking, bain: what am I going to do to control it?" Yes, I know, bring them to me." But since he does
		not have the ability via jurisdiction to order, so that's it.
١.		He's got to suck it up.
AH	0:14:14	So then, the letter will be an invitation.
RMV	0:14:17	So there won't be any type of problem?
AR	0:14:18	Zero
RR	0:14:19	I can't swear anything to you, but I'm telling you [UI].
RMV	0:14:21	But they won't do something to us? Like have us apprehended or
		something?
AR	0:14:25	No.
RR	0:14:26	No, see, no, no. Because, look, in order to do something like
		that, the DA [UI] would have to be there. The DA is an enemy of
		the judge.
RMV	0:14:39	I feel like she is too [UI].  No, ma'am, see, she is a woman who has put up with a lot. She is
RR	0:14:51	were unset about what they did to her on July first (1st), right?
		If we hadn't been with her that day, they could have found her
		lout that day What happened that day is what is called a
		political killing, right? He wanted to expose her. He wanted to
1		make her out
RMV	0:15:14	He did expose her. He didn't want to, he exposed her. Because a
		lot of, some journalists that were there, a few, who were
		inside
AR	0:15:24	Yes, they're the ones that
RMV	0:15:25	They're the ones who published it.
RR	0:15:27	Yes, correct.

RMV	0:15:28	She was exposed really bad.
RR	0:15:29	If we hadn't done anything, that harm would have been done. But
I/I/	0.13.23	exposing her is to silence her and subdue her. And he has not
		succeeded in either of those two (2) things. Not in silencing
		her or subduing her. Because as you can see, we are all in the
		[UI]. Right? And what's coming, well, we're almost done.
RMV	0:15:55	I'm going to the restroom.
	0:15:56	That's because you ate ice cream.
RR AH	0:15:58	Yes, yes, a draft is coming out of there.
RR	0:15:50	Hey, [UI] turned on the air conditioning, and then [UI].
	0:16:09	It's a good thing I'm wearing long sleeves.
RMV	0:16:11	That top is very elegant.
RR	0:16:14	It's very pretty.
AR	0:16:14	It seems appropriate for a funeral, but okay.
RMV	0:16:15	What? No, it makes you look elegant.
RR	0:16:16	Let me go to the restroom.
RMV	0:16:21	Ok, and I'm going to tell the most secret of secrets. No, no.
RR	0:10:22	no.
RMV	0:16:35	Where is it?
RR	0:16:36	The restroom? Over there, ma'am.
AH	0:16:52	And how much [UI]?
RMV	0:16:59	I'm going to the restroom. Here you go. I don't want to get you
1/174	10.20.00	dirty.
RR	0:17:02	Should I send Alex so that he [UI]?
AR	0:17:04	It doesn't matter.
RR	0:17:05	Alex.
TH	0:17:06	Alex, go with mom.
RR	0:17:07	Yes Thomas I'll wait for you here. [UI] Yes, just from the
		team. Don't speak to anyone. [Aside: Give it to the [UI].]
TH	0:17:36	And what do you think the judge will be sending, magistrate?
RR	0:17:40	What happened? No, no.
TH	0:17:42	I mean, like a, something regarding a hearing or
RR	0:17:45	No, no. He won't send anything.
TH	0:17:46	I mean, Rosales, right?
RR	0:17:50	No, only an email will be sent, right? I mean, normally, what
		the judge does is, he'll send a paper that is a subpoena. But
		since he doesn't have the authority to do that
AR	0:17:59	Uh-huh.
RR	0:18:00	He's just asking [UI] to send you a [UI]. He's going to send an
		email where he's asking for [UI].
TH	0:18:09	Okay.
RR	0:18:10	It's not formal. And I was going to tell you about the comment your mother made. All of what's come out has been [UI], one-
		hundred percent (100%). [UI], except for the thing about your
		brother. That did cause a lot of damage.
	0.10.20	And, did you find out whether my brother is filing lawsuits
TH	0:18:30	alaawhaya?
RR	0:18:34	Your brother is talking to the judge. I don't want to say that
7.7	0.10.54	to your mother, because [UI].
TH	0:18:41	You almost said it That's what I understood.
RR	0:18:45	Yes, but I didn't want to go too deep into it, because your
***		mother can't bear it.
TH	0:18:48	How long have they been talking?
RR	0:18:52	From the time your sister started fighting the [UI]. That's now
		lions it's been since your brother [UI]. That's why they had the
		phones [UI]. When your sister didn't want, they didn't want her

		in, she started to move with [UI]. And they identified her as a
		person, a problem.
TH	0:19:15	The FBI themselves told me, "Hey, we could have scared your sister for lying." Because she had been telling us [UI] and it's
		not true. We've investigated and that's not it.
RR	0:19:30	Right.
TH	0:19:31	And I said, "See, that is where you were wrong. I told you." Why did they listen to her. I told them not to pay her any mind. And the lady from the FBI, I don't remember her name, I think her last name is let me see if I have her here.
RR	0:19:48	Go ahead.
TH	0:19:49	She told me, "Yes, I'm sorry. I don't know why I even listened to your sister." Let me see if I have her.
RR	0:20:00	Let me tell you something quickly, and you can give it to me in a bit
TH	0:20:01	Carol Watson.
RR	0:20:02	What was it?
TH	0:20:03	Carol Watson is her name.
RR	0:20:05	Carol Watson. What is her title?
TH	0:20:06	She is from the FBI.
RR	0:20:09	Carol Watson.
TH	0:20:13	It doesn't ring a bell?
RR	0:20:14	No. Carol Watson is an agent or something like that. I thought maybe it was the attorney.
UM	0:20:18	That [UI] was in the bathroom, sorry  Thank you, okay. You're too kind. I appreciate it. [UI] Okay,
RR	0:20:21	no, no. [UI], okay? So what's next. What's next is as follows. This is what is going to happen. So long as you don't give any statements, and if they don't get to your mom. You know how she is that she likes to fight with everyone.
AR	0:21:03	Yes. [UI].
RR	0:21:08	Not at all. If for any reason, if she were to confess or something. You know what, this Who wrote the statements? No, we [UI].
TH	0:21:15	I'm going to turn the phone off.
AR	0:21:18	Okay.
TH	0:21:19	My mom's, the one at home, because that is where they contacted her. I'm going to disconnect it, and that's it.
RR	0:21:23	Oh, well, that's great.
AR	0:21:24	Perfect.
TH	0:21:27	So that they can think it's out of order, right?
RR	0:21:31	Since at least right now they are not offering anything.
TH	0:21:33	And in this way, well, we won't even know about it.
AR	0:21:34	Uh-huh, exactly.  If they end up asking or if it's an important situation, "We
RR	0:21:35	both study at UTEP."
TH	0:21:42	If who were to ask? Whoever, I mean, so that you can have a story ready. "Hey, how
RR	0:21:43	did you make the statements?" No, well, we got on Google, and we study at UTEP. Okay? That you have a [UI]. But I don't think it will get there.
AR	0:22:03	No.
RR	0:22:07	Our relationship continues to be like that which is worthy [UI] at this time. Because if I succeed in being put in charge of that case, I will get rid of corrupt people. I won't even leave the scraps, so to speak. So, for my part right now, what are we going to do to avoid the judge, Thomas? Blows are coming for the

judge. And there are other family members, yes, additional complaints against the judge. For not Amanda Enriquez. SPEAKER	TIME	CONTENT
RMV	0:00:00	Hello, hello. [Background: RR: Yes, hello.] Go ahead.  [Background: RR: How are you?] Well, somewhat sad. Nothing has been done. [Background: RR: That nothing] Let me put Thomas on.  [Background: RR: Put Thomas on.]
ТН	0:00:26	Hello. [Background: RR: How are you, Thomas:] now are you,
RR	0:00:36	Well, that's what I wanted to tark to you about. Tour how Is telling me that she's sad because nothing has been done. Why
TH	0:00:42	It's because, well, she hasn't had a call about the visas or anything like that.  Oh, okay, well, that is a very specific point. Yes, but that
RR	0:00:50	nothing has been done, that seems to me too drastro of a statement. Have you been following the news?
TH	0:01:02	Excuse me?
RR	0:01:04	Have you been following the news?
TH	0:01:05	Well, yes, yes. We are a bit surprised at all of the cases in which they are being set free.
RR	0:01:16	Oh, yes, that is very delicate, yes. But it's also very, the risk is too much, the reason why we are so insistent on changing
TH	0:01:28	But there have been five-hundred seventy-one (571) cases. And that they want it to go up to one-thousand one-hundred (1,100).
RR	0:01:36	Yes, but keep in mind that a lot of that is politics, right?  Yes, but keep in mind that a lot of that is politics, right?  See, I can explain it to you, but, but it's a technicality.  Those people are not being set free. They are letting them go temporarily, but the DA will again, will charge them formally, right? And it's a technical process that when a cop arrests you, the prosecutor has to take the case to the [UI] so that it may

Page 1 of 11

that will take a half hour, where it is simply a political attack that they are doing.  TH 0:02:20 And why doesn't Yvonne Rosales explain that before the I mean, give that statement? I don't understand.  RR 0:02:32 She has done it, but she's got remember she's got the media against her right now.  TH 0:02:31 Oh.  RR 0:02:32 And she has given statements, and they are in writing. She's sent them. And she says, "No, it's a ploy." Remember that here, the interests of the other side, right, including the judge in the case of your father is [UI], it's a big group. It's not one person. And then, the judge who is handling those cases, the criminal cases, he is also gunning for the [UI]. Because they represent the losing team. Because they all want It's like the represent the losing team. Because they all want It's like the represent the clarify things, because the press lives for the drama. RR	0:06:00	She's not the one who pressed the button on anything.
RMV	0:06:06	On the phone? Yes, she did.
RR	0:06:10	Alright, then
RMV	0:06:12	We only signed so you could help us with regard to Briggs and
i		this and that but not something so big. That has me scared now.
		Let me put Thomas on.
RR	0:06:29	Yes, that's better, and I would ask of you not to interrupt the call anymore.
TH	0:06:34	And now what is it that you are working on, magistrate?
RR	0:06:39	Well, I'm trying to explain it to you, Thomas. But, look, I
1		don't want your mother to get my wife involved, okay? Because my
İ		wife uh. what I don't like is that your mom gets scared and all
		of a sudden she forgets and everything gets convoluted for her
		as to how things happened. And I'm not calling to see who did it
		or who didn't do it, right, because you're making me lose a lot
		of time. I'm calling you to tell you what the next step is.
TH	0:07:02	What is it?
RR	0:07:03	And if not, if your mother, well, that's why I'm calling you.
		But your mom initially answers me  It's because Channel seven (7) keeps sending her emails wanting
TH	0:07:11	to interview her and she feels pressured, because, well, they
		keep insisting, asking if she wrote, and well, she doesn't even
		know how to write over the phone, so then, that's why she's
		scared, but okay.
RR	0:07:38	Yes, but the question is this, because I'll tell you, see, speak
I KK	0.07.30	to Channel seven (7) if you want and say what you want. I am
	1	going to start to get exasperated by you, okay? Because you're
		bringing up dumb things. "Channel seven (7) is pressuring is."
		Okav. and what does that matter? Why are you responding to
		Channel seven (7). And if they are leaving messages, why are you
·		paying attention to Channel seven (7). Channel seven (7) is a
		traitor. Channel seven (7) accused you of [UI] of the family.
		And they are saying that your email is not real. So then, how
		will you trust, or how will you be willing to feel pressured by a channel, a news program. Journalists, you know, Thomas, are
		the worst. So, if you don't have the strength to put up with a
		call from a TV channel, so then, please don't, I mean, we are
		not talking about the same thing. If your mom wants to say that
		it was my wife who sent that out, that is a mistake. Because on
		that, authorization was granted by the family to use that
		account and for that to go out. [Background: RMV: Did you see?
		It's going out.] Nothing was done incorrectly. Everything was
		done correctly. But when you hit evil, evil does not like it,
		and evil will want to, in some way, make you uncomfortable and
		scared. But if that is what is going on, Thomas, I would tell
[		you, call me when it is happening. Don't wait until your mom starts to get nervous once again and starts to feel bad. When I
		said goodbye to you all in Juarez the other day, you asked me
		for something. Let's leave all of the bad energy on the table.
		And we are together in this until the end. That is what you
		said, more or less. And I agreed. And so, if I'm calling you
		today to tell you what is going on truly, then, I think you need
}		to listen to me and not complain. We are also not a visa machine
1		either. The DA promised to ask for that, but remember that she
		is being viciously attacked. If you are watching the news, they

	<del></del>	want to get her off the post, they want to fire her from her
		job. Why? Because she was willing to fight for you.
<b></b>	0:10:18	Well, I found out that the news media was outside of her office
TH	0:10:10	and that she didn't even want to go out to give a statement. So,
		it wouldn't have been a big deal for her to go out and say,
		"This is happening, and this and that and this. And I want the
		people of El Paso to continue to believe in me, etc."
DD	0:10:37	No, Thomas, it's not that easy. It's not that easy. Let me tell
RR	0:10:57	you why.
TH	0:10:41	Why?
RR	0:10:42	Because at that point they had just filed a petition for her
1/1/	0.20	removal, so they are setting a trap for her. They are putting
		pressure on her regarding the cases, which isn't true, and at
		the same time, they file against her. They are looking to get
		her, so she could not come out at that time. The time will come
		where she will raise her voice, Thomas, but you cannot criticize
		a person who is at that level when you have never been at that
		level, when perhaps you don't understand all of the system, and
		how it is progressing. Moreover, you did see that they want her
		removed, right? Yes, no, I'm not criticizing her, I'm just telling you what I'm
TH	0:11:31	seeing on the news. That is all.
77	0:11:39	No, you're adding a point, Thomas. You're adding, "why can't she
RR	0:11:39	just go out and face them?" I'm telling you; she is fighting.
		She's got the news media against her. If she goes out and faces
		this right now, they will attack her even worse. Look, let me
		lask you something, why don't you go to the news media from El
		Paso and sit for an interview. Why don't you do it? Is it to
		your benefit or not?
RMV	0:12:12	Because we have decided not to talk anymore.
RR	0:12:13	Thomas Well, see, we have decided, truly, not to talk about that
TH	0:12:16	
20	0:12:20	anymore. That's why, for the same reason. Now, I'm not telling you to do
RR	0.12.20	it I'm using it as an example. Because it's not in your best
		interest, because the last time you wanted to talk and to say
		the truth, that it was offensive to use the case for political
		means, what did the press do? The accused you, they attacked
		you. And the press lied. The press lied saying you weren't even
		family members.
TH	0:12:42	No, but we also didn't know anything about what Amanda had said
		or anything like that.  No, but your sister did get involved, and your sister was very
RR	0:12:52	quick to say that it wasn't you and that your brother was slow.
		And that your brother didn't have the ability to even write.
		Hey, that, that is not true. Your brother is not slow.
TH	0:13:09	Well it's because, truly, my brother is not slow but he has
111	0.20	autism, so that makes him unable to speak to others. He doesn't
		have the ability to write emails and things like that.
RR	0:13:29	T have an autistic son, and let me tell you something. Autism
		has a lot of levels. And for my part, from my interactions with
		your brother, your brother has the ability to recall, he has the
		ability to think, he has the ability to give his opinion.  No, but he doesn't know how to write English, truly. That I can
TH	0:13:46	absolutely guarantee. He doesn't have that ability.
RR	0:13:55	Of course, but he was not the one who wrote it alone. I mean,
77	0.13.33	you and all of the family were present. But I'm not calling to

		see if something good or bad was done. I don't think anything
		bad has been done, Thomas. The criticisms are not internal. I'm
		not calling you to criticize you at this time.
TH	0:14:10	Uh-huh.
RR	0:14:11	I'm calling you to tell you what is coming.
TH	0:14:17	And what's coming?
RR	0:14:18	And how to prepare for what's coming.
TH	0:14:30	Hello?
RR	0:14:31	Yes, can you hear me?
TH	0:14:33	Yes.
RR ,	0:14:34	Yes, so then, that's why I'm calling you, Thomas. But, but you tell me. Look, before I tell you what is coming. You tell me, your mom is upset. That much is clear to me, okay? And you are upset. That is clear to me. Do you want me to continue to support you or would you rather I stop calling you?
RMV	0:14:59	That we don't know.
TH	0:15:00	Well, look, truly, we don't know any more what is going to happen, I mean, .that thing about the visas, you have been telling us about it for almost a month
RMV	0:15:08	We don't care about that, really.
TH	0:15:09	We've actually seen that we cannot expect any of that. People from Las Americas also contacted us. They will handle the requests of those visas.
RMV	0:15:21	[Aside to TH: Due to what happened to your dad.]
TH	0:15:22	Due to the victim right we have, victims of violence. So, with regard to that, don't worry about it.
RR	0:15:31	Yes, but let's talk
TH	0:15:33	Since we will look into that elsewhere, because we were waiting. You told us that it was a matter of week, and that the following week, the visa would be processed, and two (2) weeks have gone by and nothing has been done.
RR	0:15:48	Okay, but hold off a bit. Something was done, Thomas.
TH	0:15:51	What was done? Tell me.
RR	0:15:54	I spoke with the prosecutor and she assigned a prosecutor to look into that matter.
TH	0:15:59	Yes, in another month or a year
RR	0:16:05	Hold on, Thomas.
RMV	0:16:07	[Aside to TH: We know that she is very busy.]
TH	0:16:10	We know that she is busy and won't do it. We have come to that conclusion that that issue won't progress.
RMV	0:16:18	[Aside to TH: But we're not interested in that anymore.]
TH	0:16:19	But you know what, this Las Americas agency has made a commitment to us, so it's set. You don't have to worry about that.
RR	0:16:29	Okay, let's forget about the visa. But what is the problem?
TH	0:16:38	That we're trusting you. That is the problem. That we're trusting you. That, no, yes, next week, the visas will be ready, and they will be moving along, and three (3) weeks have passed.
RR	0:16:50	Well, okay, see, Thomas. I never told you that next week, but that's okay. See, you are upset with me, and for me, it's okay, tell me instead what it is that you want, because I don't like even the tone of the conversation. Tell me, why, I mean, do you prefer that I don't bother you anymore? I won't.
TH	0:17:11	Well, look, really, we just don't want to have problems with anyone. That is the only thing that we want, and that's it.  Let's just leave this like that, and as if you hadn't met us and that's it. So we won't have to struggle with anything,

I think that the enemies are going to win. The enemies are going to win. Decause they pressured you to the point that you felt overwhelmed, but in reality, we have never lied to you, and the other reality is that we've never taken a dollar from you.  TH 0:18:14 Well. look, I would like it if you could prove all of those would love it if you could prove it and that you can stock it to them, that you can show them all of what you've told us. We would be very happy, but we are no longer willing to [Aside to TH: We wish him all the best.] Yes, we wish you best of luck and the best, but  RR 0:18:50 That's perfectly fine, Thomas, I'm just telling you. I just want you to know that the judge set a hearing for two (2) weeks from now. That's why I was calling, okay?  TH 0:18:59 Yes.  RR 0:19:02 I am telling you that my recommendation to you is that you not show up to that hearing. If you want to come but I know right now that the judge really wants a piece of you. But I'll make it easier for you, I mean, I'm not asking anything of you, I'm just telling you, you know what, I don't think that hearing will take place, because before that hearing takes place. 		the judge will be removed. That's why I'm calling you, so that you are at peace, so that you know that hard blows are coming against the enemies. If you are willing to persevere. All I'm telling you is not to let the pressure get to you from dumb people like from the news media. Those people love to lie. They just love to attack. It has been three (3) years, Thomas. Why is it that the news media is not saying, "Let's have the trial now." Why not? Why don't they ask how this judge was selected? Why don't they ask? The ballistic results are in from that day's shooting. Thomas, there are a lot of things that you all don't know, but I am telling you, "Hey, friend." Are you treating me like a friend at this time, or are you treating me like an employee? You tell me.
RMV	0:22:28	We are not like that.
TH	0:22:29	Well, it's because we only All I want is for my mom to be left

RR	0:22:38	Thomas, I don't either. I pray every day so that this will end. Do you think that I let's see, with this I'll respond to anything you might want to know. What do I have to gain from your dear mom being bothered? Nothing. What do I have to gain from this being extended? Nothing.
TH	0:22:55	Okay.
RR	0:22:56	What I want is the same thing you want which is that this nightmare end already. [UI].
TH	0:23:02	Okay, magistrate. Well, you know. On our end, you continue on with your case, and as for us, we just want to be left alone, and well, that's it.
RR	0:23:19	I agree with that. I agree with you. Now, when you say, "I want to be left alone." Do you want to know what will happen or do you want me to not tell you anymore what is going to happen?
RMV	0:23:30	[Aside: Yes, he can let us know.]
TH	0:23:31	Well, yes, you may let us know, but
RMV	0:23:35	[Aside: But we don't want to give you any problems.]
TH	0:23:36	But I don't want to give my mom any problems. That's it.
RR	0:23:45	But we return to the same thing. I don't want it. I didn't want your mom to be bothered at all. Your mom didn't sign anything. Additionally, your sister attacked your mom, but I didn't know she lived or existed, that lady. And I got really upset by what your sister did. But I, at that time, didn't blame anyone. Because I'm older, Thomas, I know that in life, nothing is perfect. And I know that God has his way, and He knows why He put your sister along the way. But I'll tell you one thing, we've never done you wrong, and we've never done anything that goes against your mother, saying, "Oh, we want the press to go after her." No, I would want the press to calm down, believe me, and for them to start saying the truth. The day that you and I disagree, Thomas, you can be sure that I'll be the first to say, "You know what, we don't share the same interests." But right now, my interest is justice. That your rights and your mom's rights be respected, that is my interest. Your father's trial, that justice be done in that case, is my interest. And for that corrupt judge who has harmed so many people not to continue on this case, that is a shared interest. [UI].
TH	0:25:17	That is what I don't understand, judge. I mean, magistrate. That is what I don't understand.
RR	0:25:21	What is that?

TH	0:33:04	Yes, but you didn't send email to news media with the names of
		other people. You only decided to use our family's name to send
		those emails, and that was not right, because the only impacted
		people have been us. And we feel used because of that.
		[Background: RMV: We don't even know about the judge.]
RR	0:33:22	Yes, but hold on, Thomas. What happened there, yes, is that
		there was trust with you, and I will tell you one thing.
		Everything would have turned out alright, but no one told us
		about your sister. Your sister was the one who [UI].
TH	0:33:40	She can say whatever she wants, and no one pays any attention to
		her, so don't worry.
RR	0:33:46	Everybody paid attention to her.
RMV	0:33:48	[Background: She knows perfectly well that Alex is not a [UI].]
TH	0:33:50	She's never even set foot at court once. No one recognizes her.
RMV	0:33:57	[Background: And she knows that Alex is not capable of doing
		that.]
RR	0:34:00	That's not true. She is recognized as a relative. But the news
		media recognized her. She is speaking to the enemy. The enemy is
		seeking her out to attack you all. And that's why, that's why
		the news stories don't lie in that sense. I mean, I can't tell
		you, "That story didn't come out." The story said that you all are not relatives, that the email account does not belong to
		your mom, and that your brother doesn't have the capacity to
		even [UI]. So, I don't think [UI].
5101	0.34.34	[Background: She didn't lie.]
RMV	0:34:34	Well, on that issue, she was right, because she knows perfectly
TH	0:34:35	that neither my mom nor my brother know how to write well in
		English. For this reason, she is completely right. She's very
	1	smart. She's highly intelligent.
RR	0:34:51	And at that time
TH	0:34:53	We agree about that, because that is the truth, and she knows
111	0.54.55	it. She's very bright about that.
RR	0:35:03	Thomas, she is saying that you do not have blood ties with your
1/1/	10.0000	father.
TH	0:35:09	No, yes, that is wrong. But what she did get right is that
		neither one knows how to write in English. [Background: RMV:
		[UI]] I don't know, but okay, that is a separate matter. So,
		okay.
RR	0:35:26	Yes, but one can use a translator, Thomas, and one can use
		Google Translate. And the two of you, didn't you study English?
TH	0:35:33	No, but the translator tool is always getting it wrong. That's
		not the case. I have tried it, and it's not even right. But
	-	okay. What we want is just that, magistrate. That's it, we don't
		want to be used anymore.
RR	0:35:43	But there is something else here in the background. And it's better to clarify now, yes? You, see, at the time in which that
		statement was sent, yes. There's the proof. It has been approved
		by the family, right? Here, nobody got your mom's email, opened
		up the account, put in the password, and then it was keyed in
		and then, we sent her to McDonalds, and then it got sent to
		behind her balk.
TH	0:36:18	What are you talking about. I don't understand. From the time
	1	the email was sent?
	l	

DD	0:36:25	Yes.
RR	0:36:25	That time, the time your wife wrote all of the contacts from the
TH	0:30:20	news media or which time?
RR	0:36:37	That time that, well, see [UI]
	0:36:39	But okay, that is a separate issue.
TH	0:36:42	Well, yes, but you keep bringing it up. You keep telling me that
RR		my wife, and
TH	0:36:49	Yes, because that affected my mother a great deal. That email. They keep pestering her about that, saying, "It was you who sent this" and that you, it's not true. It wasn't her, it wasn't her. She doesn't even know how to write through WhatsApp. Can you imagine?
RR	0:37:03	That was your sister's fault. Because no one signed your mother's name in that account. Right?
RMV	0:37:13	[Aside: Tell him that we don't want to chat anymore.]
TH	0:37:15	Well, uhm, they're nudging us over here, magistrate, so we have to go. Yes, they are asking us to open up the gate here so they may start to work. [Background: RMV: Greetings.] If anything comes up, well, let us know, and send greetings to your wife. And well
RMV	0:37:36	Goodbye.
RR	0:37:37	I think this is very sad, Thomas, and I'll tell you why. Because we have not acted incorrectly. And the last time we said goodbye, there was friendly hug, all of the negativity would stay at the table. Bad people will continue to bug. That won't end just like that. That's why I'm calling you, so that you understand what is coming, and what you have to do, but you didn't even give me a chance to explain. But if you'd like, we can talk about it another time.
TH	0:38:06	Yes, right now, we are very [UI]. We are highly busy; they are nudging us because they want to start already. Instead, let's do it another time when we might have more time to chat comfortably, right?
RR.	0:38:30	Perfect; do you want to call me or do you want me to call you?
TH	0:38:33	Uhm, well, we will call you.
RR	0:38:38	Call me on Friday if you want so we can chat. Because I want to share with you what is important, so they won't set a trap for you.
TH	0:38:49	Alright then, thank you.
